

First Amendment Project:

1. Select one of the First Amendment court cases or issues to research.
2. Research each of the following questions and provide thorough, accurate answers.
 - 1) What was the First Amendment issue behind each court case or issue? Explain in detail.
 - 2) What was the court's decision or the free speech outcome of the issue? Explain thoroughly.
 - 3) Did the court decision or issue outcome promote free speech or broaden its definition? Or did the decision or outcome restrict or limit free speech? Explain.
 - 4) In what way(s) can this court case or issue affect you personally, the school, the Englewood community? How does it touch our lives? Explain with specific examples.
3. Project Product: Create a PowerPoint presentation or a Prezi presentation to illustrate the answers to the above 4 questions in step #2. Follow the "Powerpoint Do's and Don'ts" discussed in class. Present the PowerPoint in class. Presentation should be 2-4 minutes in length. RUN SPELLCHECK.
Reminder: Include a Works Cited as the final slide of your PowerPoint or Prezi. (Wikipedia may NOT be a source.)
4. Grades will be based on:
 - Accuracy of information
 - Thoroughness of information and specific details, including Works Cited
 - Answering ALL four questions in #2.
 - Quality of Powerpoint or Prezi presentation (Spelling errors will reduce your grade!)
 - Oral presentation of material
